Regulation for the Marketing of Construction Products R305/2011

EN 50575:2014/AM1:2016

System 6

The applicant is aware about the contents and information included in the ModCOM04-06 Regulation for this type of Certificate that is considered totally accepted. The latest revision of the Regulation is available and can be downloaded from the website [www.isei-italia.eu](http://www.isei-italia.eu). This document is not referred to any evaluation that could be considered as included in the scope of the activities covered by the standard BS EN ISO/IEC 17065:2012 or European Regulation 765/2008.

Certificate is issued on voluntary application from the Client and it gives to the applicant the right to use and affix the ISEI Mark (at point 5) on their products, even if it doesn't imply any assessment on the safety and compliance of the product. ISEI declares that the only scope of the assessment is to verify the existence of the declaration issued by the manufacturer or an applicant under its own responsibilities.
